

**Vehicle & Asset Management
Surplus Property Overview**

Types of Surplus

- Computer & Related Equipment
- Vehicles & Mechanical Equipment
- Furniture
- Office & Other Supplies (*New/Excess*)
- Animals
- Waste Product (*including scrap metal*)
- *Anything else purchased with state funds*

Donee Purchase

- Donees are defined by an application process that coincides with Federal Regulation.
- Once a Donee is approved as eligible to participate, all sales must be coordinated and administered through the surplus program.
- Donees can include city/county governments, school systems, law enforcement agencies , and non-profits.
